

# CUSTOM MECHANICAL SOLUTIONS

CMS, Inc. is proud to represent the following products:

**AMCA Certified** Modular Fans  
Standalone Application or Installed in Custom AHU  
High Efficiency, Ultra-Low Noise Solutions

Water, Steam and DX Coils  
Integral Face & Bypass Coils

Packaged Pumping Systems  
Custom Integration with BAS System

Precision Data Center Equipment  
EC Plenum Supply Fans

Steam and Adiabatic Humidifiers

Process Dehumidification Air Handlers  
Specialty Food Processing Equipment

Packaged Chiller & Boiler Plants  
Water Source Heat Pump Plants

Dry Coolers and DX Condensers  
High Efficiency EC Fans  
Ultra-Low Noise Design

Premier Manufacturer of Custom Air Handlers  
Local Engineering, Manufacturing & Service

Automatic Flow Control Valves  
Hose Kits and Piping Packages

Custom Heat Recovery Equipment  
Natatorium Dehumidification Units  
Low Noise Fan Coils

Hybrid Evaporative Fluid Coolers  
Reduced Water Usage

Variable Refrigerant Flow (VRF) Systems  
Ductless Split Systems

**ARI Certified** Modular Chillers  
Ultra-Low Noise Applications  
Air and Water Cooled High Efficiency Chillers

Comprehensive Line of Plate Heat Exchangers  
Plate & Frame, Brazed Plate, & Double Wall

Packaged Heat Recovery Equipment  
Flexicool Chilled Beams

Natural Ventilation Heating Equipment  
Vertical Classroom Air Handlers  
Custom Wall Fin and Radiant Panels

Indoor Packaged Heat Pumps and AC Units  
Vertical PTAC Units  
High Rise Residential Units

Direct and Indirect Fired Make Up Air  
Industrial Heating and Make Up Applications

Direct/Indirect Cooling Systems  
Vertical Classroom Air Handlers  
Data Center Evaporative Cooling Units

100% OA Packaged DX Equipment  
Precise Control of Leaving Air Temp & Humidity

Highest Efficiency Water Source Heat Pumps  
Geothermal Design and Installation Support  
ECM Motors with BAS Control Capability

Variable Frequency Drives  
Industrial and Commercial Applications  
Matrix AC/AC Converter for Low Harmonic Distortion

Chillers, Heat Recovery Chillers & Heat Pumps  
Air Handling Units and Fan Coils  
Complete Packaged Unitary Product Offering  
Underfloor Air Distribution Equipment
